

Visual Performance Ensemble

Mid-States Band Association

Understand that **what** is being performed is evaluated at the same time as **how** it is performed. Therefore, since Music Performance achievement is what a judge is to determine, it must be understood that the evaluation of construction and content of a program, in combination with evaluation of the demonstrated performance level is what determines the degree of achievement. It is impossible to properly evaluate one of these elements without considering the other.

COMPOSITION

SUB-CAPTION DESCRIPTION	TO WHAT DEGREE DID THE COMPOSITION PROVIDE:	Value	Score
Composition	Imaginative and inventive use of design choices	100	
Variety	A variety of design choices		
Reflection of Audio	Dynamic gradations of space, time, weight and flow		
Depth & Range	Well developed and strong process and components
