

# Visual Performance Ensemble

# Mid-States Band Association

Understand that **what** is being performed is evaluated at the same time as **how** it is performed. Therefore, since Music Performance achievement is what a judge is to determine, it must be understood that the evaluation of construction and content of a program, in combination with evaluation of the demonstrated performance level is what determines the degree of achievement. It is impossible to properly evaluate one of these elements without considering the other.

## COMPOSITION

SUB-CAPTION DESCRIPTION	TO WHAT DEGREE DID THE COMPOSITION PROVIDE:		Value	Score
<b>Composition Variety</b>	Imaginative and inventive use of design choices		100	
	A variety of design choices
